Project Name:
Rick Klein Baseball Complex Expansion

Project Scope: This project will convert six existing natural turf fields to synthetic grass fields. Construct four lighted fields to include three synthetic youth baseball fields and one field for youth with disabilities to play (Field of Dreams). Existing parking lot would be expanded an additional 400 spaces. Synthetic surface fields will provide an additional 9 lighted practice fields.

ESTIMATED CAPITAL EXPENDITURES
TOTAL \$11,954,592.00
